Taurus and Independence:

Taurus is not the one who ventures out into the unknown and leads the way, Taurus is the one that will follow the leader and strengthen and build upon the discovered, in other words they are the one that will "dot the I's and cross the T's". This perseverance is given to them by their stubborn streak. Taurus stubborn streak is what gives their independence. They like to do things their way. They are perfectly fine on being alone, this way things get done they way they want them to be done. Taurus is not a follower, but they are not the brave one either. Taurus is perfectly independent. With their perseverance, they get things done and can do quite well for themselves.

Taurus and Friendship:

A Taurus is an excellent friend. Taurus has few close friends as opposed to many acquaintances. The few people they hold dear to them are guarded and protected. Their friends are treated like family and they are fiercely loyal and dependable. Taurus loves to be the host or hostess. Although not a total social butterfly, they can be shy around strangers, the people who Taurus let into their lives are lavishly catered to when Taurus decides to throw a party, they decorate and present everything lavishly. Taurus will always pamper themselves and their close group of friends.

Taurus and Business:

Taurus is a strong business person. Taurus is the one who has immense perseverance, even when others have given up, the Taurus rages on. They have a knack for finance and their financial advice is prized. They know where money is to be made and have the ability to manipulate and set the path for their own success. Taurus are not frivolous spenders but they like to live lavishly and surround themselves with nice possessions and foods, which all adds up resulting in large spending habits. They will not spend all their money and cause their business to fail because if they do, their security and stability will be gone and this will cause them great stress.

Taurus Temperament:

Taurus are deeply sensitive, the slightest comment or negative remark will be taken personally and they can easily get offended or hurt. Their stubborn streak results in laziness. They can be very lazy when someone gives them orders or wants them to do something they do not want to do. They are not lazy when it comes to themselves,

Taurus Deep Inside:

Taurus are not fond of change. In fact, if change is imminent, they get very nervous and worried. They do not like anything new because anything new is unknown and Taurus fears the unknown. Taurus needs order in their lives and when they do not have order, they get very anxious. Taurus will cut themselves off from the unfamiliar in order to avoid the feelings of insecurity that arise when new experiences and situations are present. Taurus do not express their feelings openly and their inner self is contained and secretive. Many people do not know how sensitive Taurus really is, they hide it well. As a result, they are often emotionally hurt when the wrong things are said, they take things too personally sometimes. Taurus avoids talking about their emotions and many people never really know how they feel.

Taurus in a Nutshell:

Taurus is the one who has immense perseverance, even when others have given up, the Taurus rages on. Solid and persistent, just like the bull, which is Taurus' well suited symbol. Taurus's have a well known reputation for being stubborn, which is not necessarily a bad thing. The stubborn streak can cause Taurus to butt heads and conflict with other strong character types. Taurus are not fond of change. They like the familiar and routine comfort of life. Taurus is easy going and not one to pick a fight but should some poor souls attempt to provoke Taurus, the wrath will be known, for they have a temper underneath the calm surface. Taurus are very responsive to their surroundings. They like decorations, color, anything that appeals to all the senses. Taurus like possessions and the Taurus home is nicely decorated with lots of things. Taurus are down to earth, they do not like gaudy, flashy or over the top things. They prefer comfortable and creative settings and objects. Taurus likes security, in every aspect of their lives from home, to love, to career. Taurus can be secretive, opinionated and stingy. Taurus tend to be self-indulgent and lazy, Taurus are master procrastinators of the astrology zodiac! They do however have a strong, persistent drive that comes to life when they chose, and no one would ever know that they are lazy. The secret to this is that their laziness is pushed aside when it comes to themselves.

Taurus Love, Sex and Relationships

What it's like to date a Taurus Woman:

Taurus women are masters in the art of seduction. She will get what she wants but her patience is incredible, she will wait for what she wants. She needs stability and security and will not tolerate a man who is not straight with her and leads her along with uncertainty in the future. She is the old-fashioned type, the type of woman who

is associated with the drive-in soda shop days of the 60's. She is down to earth, protective, supportive, loving, devoted and loyal. She is openly affectionate in a relationship. Taurus women is perfect for the man who likes to be nurtured and pampered, providing you are loyal and devoted. She has a lot to give but she requires a lot in return. Remember, the Taurus woman is very sensitive although she might not seem so on the exterior. Court her and constantly try to impress her and you will win her heart and she will be yours. Cross a Taurus woman, and her temper will flare, she will become extremely stubborn. If you ever break her trust, it will be nearly impossible to gain it back again.

What it's like to date a Taurus Man:

The Taurus man is very sensible, he is not the man to sweep you off your feet. He is practical and down to earth. He wants a high quality woman, not a woman for one night. He will survey cautiously before he makes his approach. He is very patient when it comes to a relationship. He will survey the situation and make sure the woman has something to offer him, before he offers himself. Taurus man is a romantic man, he will put his woman on a pedestal, protect her and cherish her. Once he has chosen his woman, he will be very generous, loyal and faithful. He is not a boring man, but he is not for the woman who craves adventure and excitement. Taurus man is for the woman who craves stability and comfort, he is an incredible provider and is a very fine choice as a partner for the right woman. He is in it for the long haul so commitment is no problem for this man.

How To Attract Taurus:

Do not attempt to rush into a relationship with Taurus. They are very patient and expect you to be so too. Make them laugh, if they are amused and entertained by you, they will enjoy being with you. The way to a Taurus' heart is through their stomachs. Cook for them or offer to take them to a fine upscale restaurant. Taurus enjoy talking about finance, business, money and material possessions.

Taurus Erogenous Zone:

The throat and neck are the hot spots for any Taurus. Lightly rub the neck, kiss it gently, lick it lightly, even a soft nipple will make them melt like butter! Massage the back of the neck while you are relaxing, this relax them and set the mood for passion!

Sex With Taurus:

They are passionate lovers. They have lots of physical stamina and this makes up for the lack of variety in the sex life.
